From The Revenue Commr. to Mysore, Bgln.
Lr. No. A5. 689/46-47. dt. 25.1.48
regarding the grant of Survey No. 107 of Settihalli in French Rocks Tq. to the Dt. Bd., Mandya for constructing a Shandy.

1) In accordance with the Govt. Order No. 1616-22/LB 22-42-8, dt. 5-8-42, Sandhi was accorded to the restriction of the Dist. Bd. Mandya, for holding a Shandy every Sunday at or near Dalvi Tank by the Dist. Bd. of French Rocks - Rajanahally Road

2) The Pres. of the Bd. has sought permission to hold the Shandy in Survey No. 107, of Settihalli in French Rocks Tq. The Dy. Comr. Mandya, while recommending the grant of the permission asked for, states that the Survey No. 107, of Settihalli is an assessed waste, measuring 16 acres and 38 Guntas, and that sufficient may be retained as grass land. The Dy. Comr. recommends that the Board may be permitted to hold the Shandy on the land in question without any payment as the Board are reluctant to acquire the Shandy site held for the last few years. The value of the said Survey No. is reported to be Rs. 25/- per acre. The Revenue Comr. solicits the orders of Govt. on the recommendation of the Dy. Comr. Mandya. The proposal is submitted for orders.

SK 20/1 JM 3/2/1948

3) It is stated that the Shandy is being held in the valley for more than five years ago. The financial condition of the Dist. Boards is not satisfactory. It is not therefore necessary to insist on the payment of the value of the land in question. Hence the proposal of the Mandya Dist. Board to hold the Shandy on the said land for one - without any kind of payment - may be allowed.

REVENUE SECRETARY
No.
Date 27/1
GOVERNMENT OF MYSORE

Adverting to G.O.No. L.1616-22/L.B.28-42-8 dated 5th August 1942 sanctioning the resolution of the district Board Mandya to hold a shandy on every ~~satudary~~ Saturday at or near Dalvoi Tank by the side of French Rocks Rajenahalli Road, I have the honour to state that the President of the District Board has sought permission to hold the shandy in S.No. 107 of Settihalli in French-Rocks taluk. The Deputy Commissioner, Mandya while recommending sanction to the permission asked for, states that the S.No. 107 of Settihalli is an assessed waste measuring 4 acres 38 guntas and that the same be continued to remain as Government waste. The Deputy Commissioner has requested to intimate whether the district Board was willing to pay for the land and he has reported that the Board may be permitted to hold the shandy on the land without any payment as they are not willing to acquire it in view of the fact that the shandy is held for the benefit of the villagers. The value of the said S.No. is reported to be Rs. 25/- per acre.

The amount that the District Board has to pay is not much and it is not therefore clear why they do not want to purchase it. Though the shandy is held for the benefit of the villagers, there is no reason why the land

Sub:- Grant of permission to Mandya district Board to hold the shandy on the assessed waste land S.No.107 of Settihalli village, Chinkurli Hobli, Frenchrocks taluk.

In forwarding herewith for favour of perusal the file of records on the above subject received from the Sub Division Officer, Ffenchrocks with his report No. A3.P.P.R.119/44-45 dated 4-4-45, I have the honour to state as follows:-

Government in their order No. L.1616-22/L.B.28-42-8 dated 5th August 1942 having sanctioned the resolution of the Mandya district Board to hold a shandy on every saturday for the convenience of the people of about 32 villages around Settihalli French Rocks taluk, at or near Dalavai Tank by the side of French-rocks Rajenahalli Road, the President, District Board Mandya, has in his No.B2.C.167/41-42 dated 19-1-45 requested sanction for holding the shandy on S.No.107 of Settihalli village Chinkurli hobli, Frenchrocks taluk.

S.No.107 of Settihalli village is reported to be assessed waste land measuring a.4.G.38 in extent. It is further reported that the grant of this land to one channappa under the lease rules has since been cancelled in view of the objections of the villagers and also in view of the fact that this S.No. is required by the District Board for holding the newly sanctioned weekly shandy. The Sub Division Officer has recommended that the land in question be continued as 'kharab' for shandy maidan and the district Board permitted to hold shandies on it.

In the above circumstances I request that the Assessed Waste S.No. 107 of Settihalli village may kindly be ordered to be treated as 'kharab' for shandy maidan and the District Board permitted to ~~xxdx~~ hold the weekly shandies on it.
